**Lowndes County Schools Volunteer Statement
2015-2016**

After receiving training, I confirm the following:

1. I have watched a Mandated Training PPT provided by LCS.
2. I understand that it is law that I report **immediately** any suspected abuse. Reports are made to a school administrator or counselor as this is LCS policy. I understand it is a crime if I do not report suspected abuse.
3. I understand when I make a report or cause a report to be made, mandated reporters only need to have “reasonable suspicions” not direct evidence.
4. I understand it is against the law for any mandated reporter to notify the parent that a referral has been made. It is the policy of DFACS that Child Protective Services notify the parent upon investigation.
5. I will not conduct an investigation, and will not interrogate a child for any reason.
6. **I will keep all matters confidential.** This is a legal mandate as well as something I would demand if the situation involved my family. These children deserve the same privacy.
